The screenshot displays the Tokai Marine Insurance Group website interface. The top navigation bar includes links for Products, FAQ, Get in Touch, and a user profile labeled 'Ay Bee Cee'. Below this, a secondary menu contains 'My Policy', 'Self Service', 'e-Payment', 'My Document', 'e-Claims', 'Forms', and 'Highlights'. The 'Forms' menu is highlighted, and a callout box with the text '1. Click on Forms Menu' points to it. The main content area is titled 'Forms' and is divided into two sections: 'Premium Payment Option Forms' and 'Payout Option Forms'. The 'Premium Payment Option Forms' section lists four forms, each with a download icon: 'Credit/Debit Card Payment Authorisation Form', 'Auto Debit Instruction Form (Bancassurance Product Only)', 'Appendix II Current & Saving Account Direct Debit Authorisation Form', and 'Dispute Form'. A callout box with the text '2. Click to download the editable form' points to the download icon of the 'Dispute Form'. The 'Payout Option Forms' section lists 'Direct Credit Payment Form'. The background of the page shows a person's hands typing on a laptop keyboard.
